Friday 18th September 2020

Dear Parents and Carers,

During the lockdown, your child was encouraged to spend a lot of time online learning, during this time it has come to my attention that some children have been able to gain access to applications such as Tik Tok. Whilst this appears to be a popular site for sharing musical clips, funny pranks and other family actions, recently, there have been reports of children accessing highly distressing content.

The age limit for Tik Tok is 12 years old, and your child should not have a personal Tik Tok account on their own devices. If you have Tik Tok on your phones, ipads or laptops, you should ensure your child is not able to access it unsupervised because some content is pushed to individuals without warning. I have also attached a parent information sheet about Tik Tok.

Thank you for protecting your children from inappropriate and distressing content.

Miss Lewis
Headteacher
