Dear Parents and Carers,

Now that our Schools Street programme is up and running, I have received a number of emails from residents complaining about cars parking across their drives and double parking on the street. In some cases, residents have been unable to gain access to and from their homes.

I was also very disappointed to hear that when asked to move their car, some parents have been very rude to the residents. Please remember that the school is located in a residential area and we have developed great relationships with our local community.

I appreciate that it can be very difficult to park near the school, so where possible I'm asking if we can reduce the number of children coming to school by car, especially if you live locally and are able to walk. Alternatively, please allow yourself extra time to park away from the school and walk round with your child/ren. If you have to park, you must park legally.

I do appreciate the vast majority of our parents walk or drive and park responsibly, but there are a few that have become a nuisance for our local residents. I hope we can move forward and allow the residents to gain access to their properties.

I am also aware that there are still a few cars driving along Thornhill Road during the School Street times, the council have assured me that they will be fined and we should see a reduction in cars driving through.

Thank you in advance for your support in this important issue and let's hope together we can ensure the safety of the children and be more considerate to our local residents.

Miss Lewis
