

Thursday 4th February 2021

Dear Parents and Carers,

I hope you are all keeping well.

You continue to astound me with the quality of your engagement with your child's remote learning. Many of you are juggling the work of more than one child and I know this is not an easy task.

To further support learning from home, I have decided to give out **Excellent Remote Learning Awards**, they are designed to recognise and reward your child:

- For the amount of effort they are putting into their work,
- For completing a task, and where possible working independently, etc.
- To support and increase their engagement in work whether through DB Primary or with the printed learning packs.
- To enable you to celebrate with your child (after all, you are also working very hard!)

Teachers will nominate a child from their class and I will join the Monday Feedback session for every year group to announce the award winners. I am happy for parents to nominate their child if they feel they have really tried their best during the week, however, you will need to back this up with **good evidence!**

Finally, home learning is not easy, and we are aware of the challenges that you face on a daily basis. This is a reminder that we are available at the end of the phone, over ZOOM or through DB Primary to provide additional support. Please let us know if you could do with additional reinforcement from your child's class teacher or a member of the Senior Leadership Team.

Wishing you all the very best,

Miss Lewis
Headteacher
